migr8 (TGC Institute)

PROFILE

Versatile FullStack Developer (Internship) with expertise in HTML, CSS, Bootstrap, Tailwind CSS, JavaScript, GSAP, React.js, Next.js. Proficient in backend development using Node.js, PHP, RESTful API integration, and efficient error resolution. Skilled in database management with MySQL. Delivered responsive, animation-rich web experiences and optimized application performance by reducing load times and smoothing user interactions. Passionate about reusable code, database-driven architecture, and seamless cross-functional collaboration in agile environments to build scalable, user-centric solutions.

WORK EXPERIENCE

AQITPvtLtd

April 2025 – September 2025

Full Stack Developer (Internship)

Developed and maintained dynamic, SEO-optimized websites (healthcare, oncology, legal, global directory) using React.js, Node.js, CMS, and REST APIs. Enhanced security, mobile responsiveness. Collaborated with designers and stakeholders to deliver user-centric solutions.
